

Business Card mini CD/DVD

All artwork, text and images placed on the "Place Artwork Here" Layer will print on the label.

All process white within the printable area will knock out to white.

Clearly indicate if you would like a different color background.

When submitting files for production please convert all fonts to outlines (including those in placed images), otherwise include all fonts used. Please include all links listed in the links window.

Please contact SMG Enterprises at 770-205-9055 for any questions.
