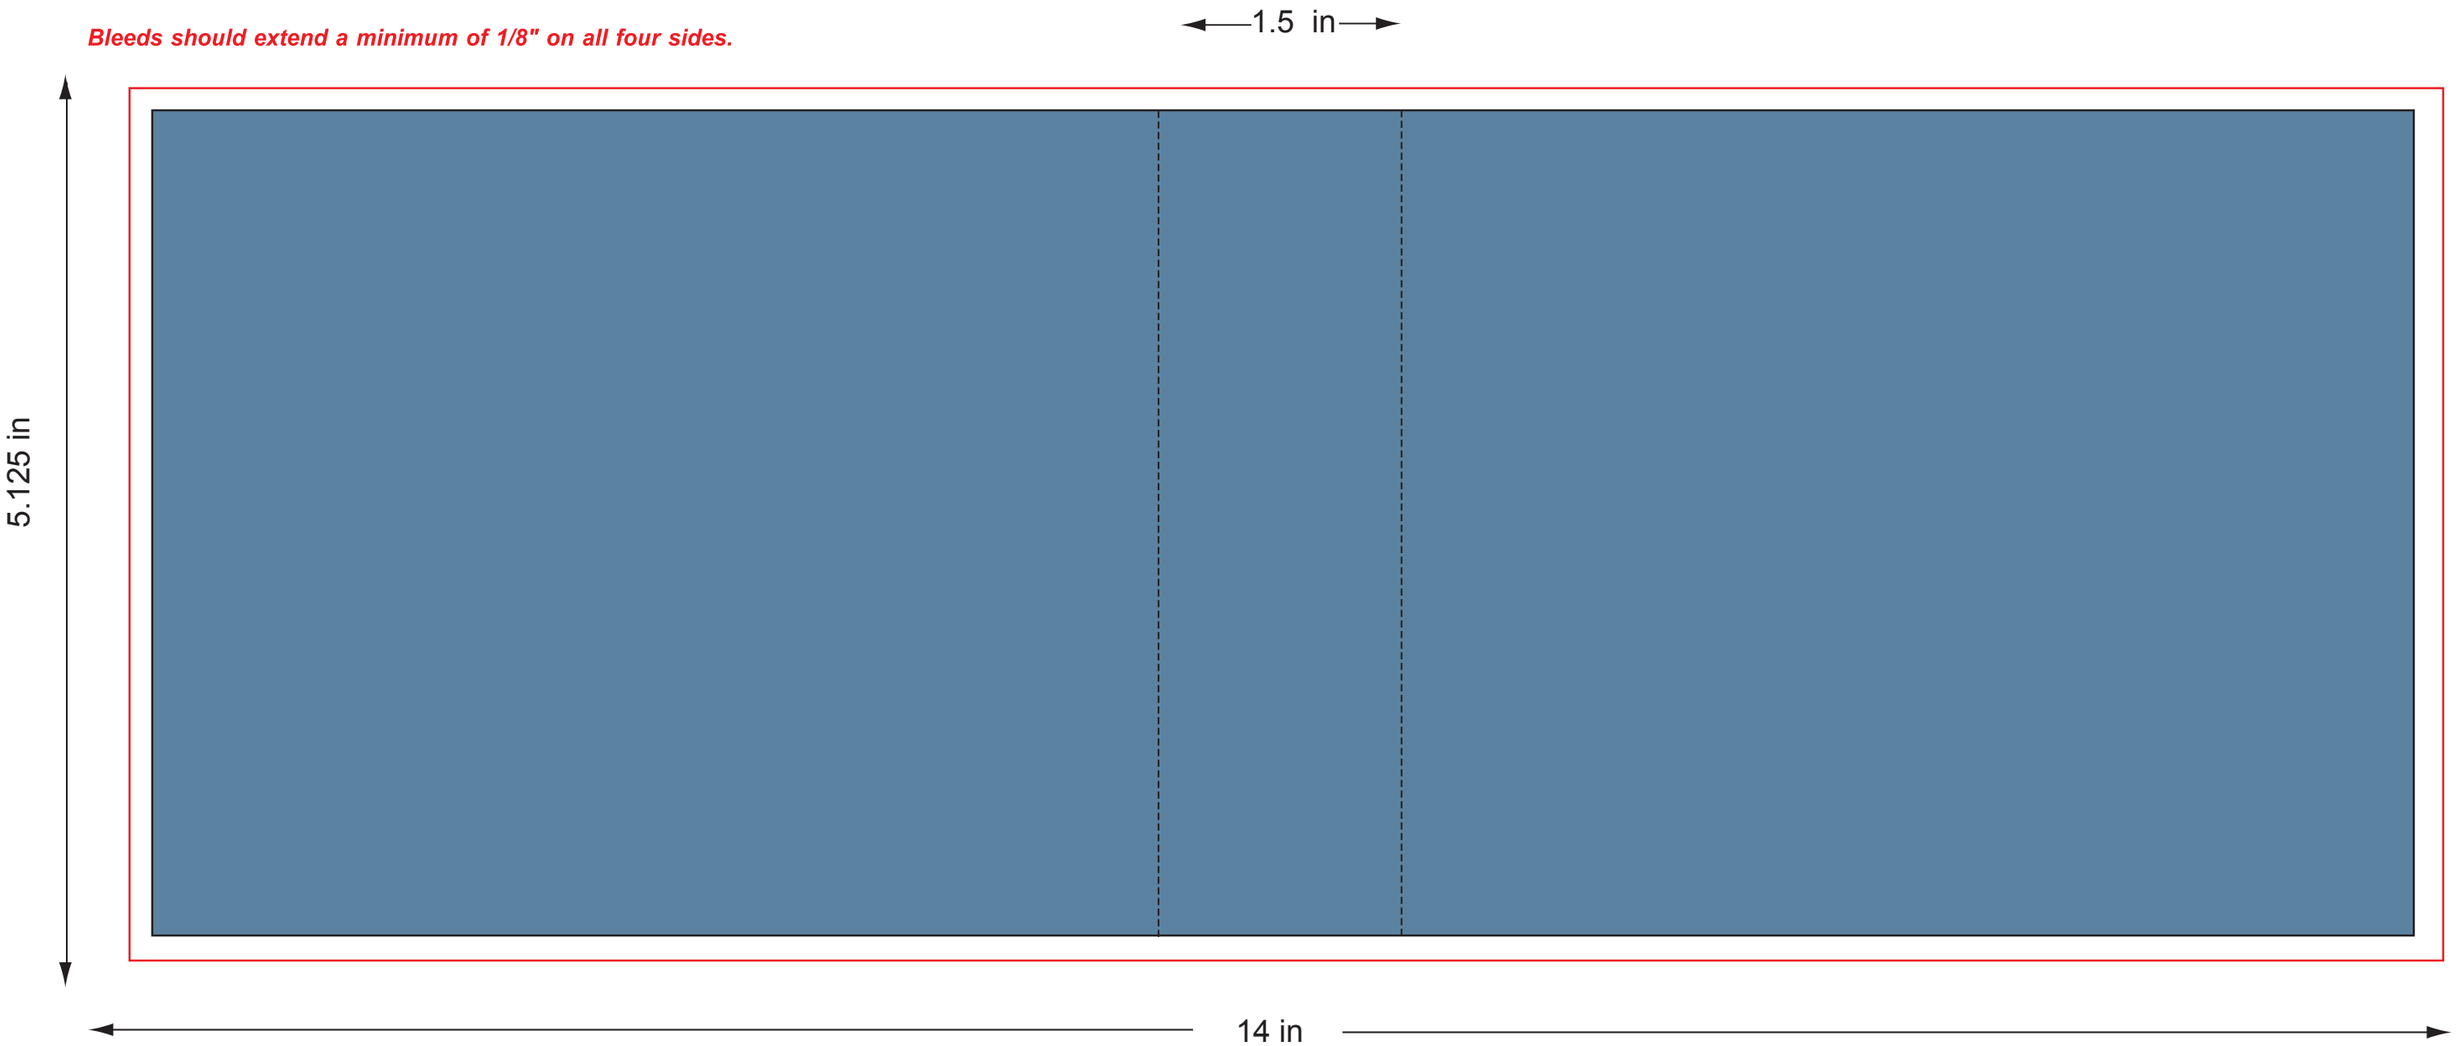
Unikeep-20 -Template -

Printable Area

Bleed

Bleeds should extend a minimum of 1/8" on all four sides.



All artwork, text and images placed
on the "Place Artwork Here" Layer
will print on the insert.

All process white within the printable area
will knock out to white.

Clearly indicate if you would like a different color background.

When submitting files for production please convert
all fonts to outlines (including those in placed images),
otherwise include all fonts used. Please include
all links listed in the links window.

Please contact SMG Enterprises
at 770-205-9055 for any questions.
